

INTERNATIONAL EDUCATIONAL INFOGRAPHICS CONTEST

The Sun at a glance

MORE INFORMATION
<https://est-east.eu/contest>

7. SOLARPEDIA
The projects submitted will be part of an online encyclopedia that will be offered as an educational resource for the teaching community.

1. WHAT

Design an infographic where the SUN is the protagonist. Choose the phenomenon about our star that interests you most, research it and put your creativity to work.

2. WHO

Groups of students in Third Year and Transition Year (aged 14-16), led by a teacher. The work teams should not exceed four students. Free to use any design technique.

3. PRIZE

The two best groups, together with their teachers, will get a trip to Tenerife (Canary Islands, Spain) to visit the Teide Observatory. The third prize is an H-Alpha solar telescope. (See contest rules)

4. LANGUAGE

The text must be in English.

5. WHEN

The registration period will open on June 1st and close on October 30th, 2021. The deadline for submitting infographics is December 20th, 2021. Teams can start working and submit infographics as soon as they register.

6. RESULTS

Winners will be announced on January 28th, 2022 through the EST social networks and website.
